Re: grant of conveyance allowance to Sri R. Muppinaiya.

General and Revenue Secretariat | File No. A 6 of 194 S | [App. F. III–2

Serial No.

Letter no C2-c. 29457 dated 4.7.'45 from the Director of Food Supplies requesting reconsideration of the orders already passed, his previous recommendation to grant a Conveyance allowance of Rs. 35/- p.m. to Mr. R. Muppinaiya, Officer in charge of the central depot at Mysore, may be sanctioned.

P

1) In his office letter No Fd 7457 A 16/-44-5 dt 24.5.'45 the D.T.S. was informed that his ~~proposal~~ recommendation to grant a Conveyance allowance of Rs. 35/- p.m. to Mr. R. Muppinaiya, Officer in charge of the Central depot Mysore - (in addition to the Consolidated fully allowance of Rs. 30/- p.m. he is drawing at present) ~~did~~ not Considered it ~~necessary~~ to Government

2) Now D.T.S. has now forwarded (a) ~~his~~ letter from the Deputy Commissioner Mysore (dated 25.6.1945) stating the opinion that the case of Mr R. Muppinaiya deserves to be reconsidered in the Circumstances stated in that letter.

Submitted

NOTE—Contn. Sheet.

Re: grant of conveyance allowance to Shri R. Muppinaiya.

Rs 35 p.m. towards, especially as it is stated that Muppiniah's emoluments would have been more if he were in charge of a taluk and the officer in charge of the City Central Depot, who has a number of departmental subordinates, gets a C.A. of Rs 25 p.m.

938

1*

Hon. Rev. Min. Hon. Sec.

7) This case had come up previously and the proposal had been rejected, vide paras 24 - 28, file below. There are no new facts.

8) The Deputy Commissioner in his letter refers to the Government Central Grains Depot having attached to it (a) 16 rice-mills (b) the standard cloth depots and (c) reserve godowns. The Dy Commrs Statement does not appear to be correct. The rice mills cannot be attached to the Central Grain depot. They are as per existing orders independent depots and accounting units with a special procedure prescribed for receipts into and issues from them. They cannot therefore form part of the Govt. Central Depot.

9) With regard to standard cloth depots, they should have been handed over to the City Rationing Officer and it is not clear why they are still being managed by this officer or the Deputy Commissioner. Again instructions had been issued to close down the Central Depot immediately after the rationing was introduced to Mysore City. As a matter of fact, certain irregularities in issues in this depot were observed and it was therefore felt that all issues to the city should be under the control of the Rationing Officer and that there

P.T.O.

4.

Re: grant of conveyance allowance to Shri R. Muppiah

Serial No. No 939

should be no issues from the Government Central Depot and that for purposes of convenience of the Deputy Commissioner in respect of Food stuffs other than rice, a small godown would be quite enough. It was also understood that all food-stuffs required in the district might be consigned direct to the stations where they were required for consignment and accounts need not be complicated by passing them through the Central Grain Depot. Why this is not being done in this case

(2) With regard to Coorg rice, a big staff has been sanctioned for handling the same and the mill-owners in respect of Coorg paddy, act in the same manner as in respect of acquisition of paddy in the State and it is therefore not clear what special touring work this officer would have had in that connection. As Director of Food Supplies I was of the view that there could be much less justification for granting any conveyance allowance. All things considered I therefore regret that the grant of a C.A. in this case does not appear necessary.

GOVERNMENT OF MYSORE.

ICE OF the Director of Food Supplies, in Mysore, Bangalore.

No. C2-C.2945/44-45. Date 4-7-1945.

To The Secretary to the Government of Mysore Development Department, (Food Supplies), Bangalore.

122/30

Sir,

Grant of C. A. to Mr. Muppiniah Officer in charge of Government Central Depot at Mysore.

P

With reference to your letter No. S.D.7435/A.161-44, dated 24-5-45, on the above subject, I have the honour to enclose herewith a copy of letter No. CS.3-459/44-45, dated 15-6-45, received from the Deputy Commissioner, Mysore District, recommending for reconsideration of the orders already passed by Government in this behalf and to state that this case deserves to be reconsidered in the circumstances put forth by the Deputy Commissioner.

2. Grant of some conveyance allowance to this Officer, seems to be reasonable in the interest of

p.t.o

in the interest of effecient discharge of Government work.

I, therefore, request that orders of Government may kindly be obtained as recommended previously.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Food Supplies.

Letter No.CS.3/459/44, dated 25-6-45, from the Deputy Commissioner, Mysore District, Mysore, to the Director of Food Supplie in Mysore, Bangalore.

Subject:- Re:- grant of conveyance allowance to the Officer-incharge, Government Central Depot, Mysore.

With reference to your memo No.C2-2945/44, dated 29-5-1945, forwarding copy of letter No.SD.7435/A.161-44, dated 24-5-1945, from the Secretary to Government, ~~Rural~~ Development Department, (Food Supplies) on the above subject, I have the honour to state that I inspected the working of the District Reserve Depot, on 22-6-45. This Depot called 'Government Central Depot' has got attached to it, sixteen Rice Mills(Purchase Depots) four standard cloth Depots, and several Reserve Go-downs in the City. All these Sub Depots and go-downs where large stocks of paddy rice, ragi, jola, wheat, other minor food grains etc., and standard cloth are stocked, are located in several mohallas in the City. The Government Central Depot is the Chief Centre, both for exports and imports of foodgrains, arranging, for prompt supplies within the District and to Rationing Officer, Mysore City and deficit Districts according to movement programme. In addition, the Depot imports wheat, sugar kurdal urd and urd-dal and standard cloth, the Depot has been provided with four government lorries which are also working under the control of the Officer-in-charge of the Government Central Depot.

Thus, the duties and responsibilities devolved upon the Officer-in-charge of the Depot in connection with the administration of the Depot, and the rice mills and the standard cloth and other reserve go-downs are such as to require his moving about, throughout the City, frequently. This work has all the more increased, consequent on the receipt of Coorg Paddy which is stocked in the City rice mills. The stocks and monitary transactions and accounting are very heavy and in the interest of efficient control over the several rice mills and the Government Central Depot to maintain a conveyance to facilitate his work. The cost of maintenance of a conveyance is very prohibitive now-adays and it is quite necessary that Mr.Muppiniah, the Officer-in-charge, is granted some conveyance allowance in the interest of efficient conduct of his executive duties.

In this connection, I may also add that Mr.Muppiniah holds the status and rank of an Amildar and would have got an F.T.A. of Rs.50/- and the Special allowance ~~drawnxx~~ of Rs. 25/- if he were incharge of a Taluk. But, he is now drawing only a Deputation Allowance of Rs.30/- P.M. as he is in the Food Supplies Department. Moreover, the Officer-in-charge of the City Central Reserve Depot who is under the control of the Rationing Officer, is drawing a conveyance allowance of Rs.35/- p.m. The number of depots under the control of this Officer is not as many as those attached to Mr.Muppiniah and as can be seen from the foregoing, the nature of work devolved upon Mr.Muppiniah do necessitate the maintenance of a conveyance. He has got to supervice the rice mills, standard cloth Depots, and other Reserve Go-Downs entrusted to his charge in the City. Besides, he will have to visit the Railway goodshed to arrange for waggons and supervise the despatches and imports. Often, it would be also necessary

p.t.o

(4)

often, it would be also necessary for him to visit the Railway Workshop and other private workshops to get urtent reparirs to the lorries. He will have to pay surprise visits to the rice mills and check the 'Illuvari' weights and measurements.

In the foregoing circumstances, I once again recommend that my previous proposal to grant him a conveyance allowance of Rs.50/- P.M. may be kindly reconsidered and early sanction of Government obtained and communicated to me.

"C O P Y"

V. N. Pallegar

DIRECTOR OF FOOD SUPPLIES.

from outside and distribute the same among the several Taluks in the District, thus the work devolved upon the officer in charge of the Depot are manifold & miscellaneous. For efficient & quick transport of food grains, wheat, sugar & standard cloth,

(3)

Office of the Deputy Commissioner,
Mysore District, Mysore,
Dated the 9th October 1945.

No: CS.3-459/44-45.

From

C.M.H. Ranajodha Singh, Esq., B.A.,
Deputy Commissioner,
Mysore District, Mysore.

To

G. Sundara Rao, Esq., B.A.,
Director of Food Supplies in Mysore,
Bangalore.

Sir,

Grant of allowance to Mr. Muppinaiya, Officer-in-charge, Government Central Depot, Mysore.

With reference to your letter No. C2-C.945/44 dated the 7th September 1945, on the above subject, I have the honour to state as follows:

The sixteen Rice Mills in Mysore City are situated at great distances apart, except three of them. The Food Assistant to the Deputy Commissioner is a touring Officer and he will be out of headquarters for many days in a month. It will not be possible for him to devote constant and concentrated attention to the working of the Mills and the handling of stocks of food grains in the Mills. The Officer in charge of the Government Central Depot is the next Gazetted Officer who will have to be entrusted with this ~~work~~ important item of work which cannot be neglected. The rice produced in the Rice Mills will be first shifted to the Government Central Depot (except of course the quantity consigned to other deficit areas) and then issued to consuming centres within the District as per quota allotted. This system facilitates easy accounting and ready distribution. In this sense, the Rice Mills of Mysore City are attached to the Government Central Depot, Mysore. The Officer-in-charge of the Government Central Depot cannot be divested of this work without serious consequences.

Secondly, as regards the sale of standard cloth in Mysore City, the Government Order No. SD.6840-42/A.195-43-2 dated the 8th April 1944 sanctioning the ~~standard cloth~~ scheme and the staff does not contemplate the sale of standard cloth through the Depots under the jurisdiction of the Rationing Officer, Mysore City. A reference had, however, been made to the Rationing Officer, Mysore City, to take over the distribution of standard cloth, through the Ration Depots, but he has replied that it is not possible for him to do so. Besides, it is not only in Mysore City that the standard cloth is sold but it has to be distributed to all other places in the District. The Rationing Officer, Mysore City, has jurisdiction only over Mysore City. The consignments of standard cloth are at first imported to the Government Central Depot, Mysore City and then sent to other places. As the Central Depot is under the direct charge of the G.C. D. Officer, he will have to look after the administration of standard cloth also.

Thirdly, as regards the point that under the Rice Mill Owners' Scheme, the Rice Mill owners have to shoulder the responsibility of procurement of Coorg paddy and that

---

that therefore, the G.C.D. Officer has no responsibility, it is to be stated that the Rice Mill Owners' Association in Mysore City have undertaken the responsibility of transporting paddy from Coorg. The Rice quota is being moved by the Rice Mill Owners of Coorg. Payments for rice supplied by the Coorg Rice Mill Owners have to be made by the G.C.D. Officer and despatches of Coorg rice and local rice to Mysore City and other deficit areas have to be arranged by him under instructions of higher officers.

The Government Central Depot acts as a nerve centre for all supplies of food grains and standard cloth to Mysore City and other places. The enclosed statement shows the volume of business transacted in the Central Depot, Mysore. It will kindly be seen therefrom that a sub-godown cannot serve the purpose. I am sure that no Officer other than that of a Gazetted rank can control the subordinate staff and manage the Depot satisfactorily and I think it is not safe to entrust such a responsible work to low paid or a non-Gazetted Officer.

So far as places connected with Railways are concerned, the commodities can either be booked to or sent from them by trains. But there are several Taluks and areas within the District which are unconnected by Railways. In the absence of the Government Central Depot, Mysore, if goods including standard cloth have to be sent to such places, they will have to be first stored in the Rail heads nearby and then transported whenever transport facilities would be available. This ~~passes~~ process involves extra work and employment of additional staff in these Railheads. Even then, I think that the work cannot go on so smoothly as it is being done now under the management of a single Gazetted Officer. The Minister for Revenue and Food Supplies and the Director of Food Supplies both inspected the Government Central Depot on the 1st July 1945 and they have seen the volume of work done in the Depot.

Having regard to all these facts, I am of opinion that the Government Central Depot at Mysore is quite essential and should be continued.

I may add in this connection, that Mr. Muppinaiah is an Amildar and he would have drawn an allowance of Rs.50+25/- if he remained in charge of a Taluk. He has to move about within the City constantly and has to be always alert and vigilant and cannot claim any T.A. as per rules for his movements in the City. Hence a special allowance of Rs.50/- has been recommended in his case. The allowance to Mr. Muppinaiya, Officer-in-charge of the Government Central Depot, may be kindly sanctioned as already recommended by me.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mysore District.
